

## Things to help in lessons

Pictures/visual support	Being able to talk through my thinking with a friend or partner
Teachers talking in lessons	Other children shouting out in lessons
Writing	Working in silence
Group work	Watching videos
Extra time to think	Question time in lessons
Practical lessons like science	Being put on the spot
My teacher asking me a question but giving me extra time to think before s/he comes back to me for an answer	An adult checking I know what to do at the start, leaving me to work and then coming back to check
My teacher breaking up long instructions	Teachers talking slowly in lessons
